توضیحات:

This multi unit building is located in Barva, Heredia, Costa Rica, in Barva county. This mountain and countryside property with mountain, wooded, garden and valley views is situated in the cloud forest, the highland forest and the rain forest of Costa Rica. The land area of this multi unit building is 2,150.00 square meter (23,142.32 square feet), and it has an interior space of 760.00 square meter (8,180.54 square feet). This multi unit building has air conditioning through multiple wall units.

This property is a lucrative investment opportunity providing entrepreneurs with diverse revenue streams. It is strategically located and has the potential to transform into a versatile event space or a full-fledged hotel catering to various client preferences.

The establishment operates with a profitable model, providing guests with a luxurious experience at \$150 per person per night, including breakfast, dinner, and spa services. The property comprises two charming houses, each equipped with four bedrooms, a restaurant, a pool, and spa facilities on the lower levels, creating a peaceful ambiance ideal for relaxation and recreation.

Furthermore, the property's adaptability is a significant advantage, serving as both an event and wedding venue while also having the potential to transition seamlessly into a boutique hotel. Including additional land for sale expands the investment horizon, offering the opportunity for expansion or diversification

according to the investor's vision.

In summary, this property is an excellent investment opportunity. Its established business model provides immediate returns while offering exciting future development and expansion prospects. It is an attractive option for savvy investors seeking long-term growth and profitability in the hospitality industry.
