توضیحات:

✓ Nature, quiet & newly renovated ✓ Perfect for couples, alone or workation ✓ Own garden with furnished terrace & barbecue ✓ Fully equipped kitchen ✓ WiFi - fiber optic connection ✓ Fresh bed linen & towels ✓ Fireplace ✓ spacious rain shower ✓ Free parking space ✓ Check in via key box The special thing about this house is the completely open interior design. Below, the kitchen, living and dining area, with access to the garden, form a harmonious space. A space-saving staircase (!) takes you to the also open and cozy sleeping area. There you can watch the stars or listen to the birds through the skylight at night. Standing at the top of the balustrade, you can see the lower area through the old wooden beams.

The spacious bathroom with natural stone and large rain shower is the perfect addition. Thanks to the natural materials clay and wood, the house has a wonderful indoor climate, you simply feel good here! Thanks to the sunny location, the newly landscaped garden with its own terrace and seating is perfect for enjoying breakfast or simply relaxing in the sun, or in the evening by the fire pit, optionally with a grill, to end the day. The garden is finished, now the bushes have to work a little harder to become hedges.

With a view of our wildflower meadow in the sunny months, you can make yourself comfortable under the old apple and pear trees. Thanks to the fiber optic connection, you are well connected despite living in the country. If the period you are looking for is already booked or more space is needed, please take a look at our other advertisements. Our house Rudi is almost identical to this one and in house Ria it is possible to accommodate a larger group.
