توضیحات:

Used 3 bedroom apartment but in great condition with 100m2 of area, this nice apartment seems to offer a number of attractive advantages:

1. Its location in one of the most emblematic buildings in Pontinha is definitely a strong point, in the central area of Pontinha, with commerce services, schools, transport (metro and buses 5 minutes walk) and with great access to Lisbon's IC16, CRIL and 2nd circular roads, with the European university just a few meters away, street shops, Continente supermarket and Lidl.

2. The panoramic view over the city is also a highlight, providing a pleasant and bright atmosphere.

3. In addition, the characteristics of the apartment itself, the 3 bedrooms, the living room, kitchen, 2 bathrooms, and the layout of the well-divided areas, are important aspects to consider.

Overall, this seems to be quite an attractive apartment, especially for those looking for a convenient location and panoramic views, in a building with 2 elevators, along with modern amenities and practicality.

Scheduling a visit would be a good way to fully assess all the features and conditions of this friendly apartment.
