Description:

Lovers of period property are sure to be impressed by this 4 bedroom Victorian home on the popular street of Southend Avenue. This imposing red brick townhouse has been sympathetically updated throughout combining period features with contemporary style, and from the moment you enter it is clear to see why this has been the much-loved family home of the current owners for more than 15 years.

Original Victorian tiled flooring leads you from the entrance porch through the hallway and beyond. To the front of the property there is a large living room with stunning marble fireplace which houses a log burning stove. There is also beautiful decorative freeze which gives a further nod to this home's Victorian heritage. Next, a formal dining room with feature fireplace and on-trend wall panelling. This room is ideal for intimate dinner parties and more formal entertaining. To the rear of the property you will find the open plan kitchen/breakfast-room. Clearly the heart of this family home, it is easy to picture evenings spent cooking dinner while the children do their homework at the kitchen table and family meal times spent together.

Upstairs you will find 4 bedrooms comprising 3 generous double bedrooms and 1 single bedroom which could also make a fabulous dressing room. The master bedroom is made light and bright by the large bay window while the stunning wooden shutters provide privacy from the street. The family bathroom boasts a traditional free standing claw-foot bath as well as a shower cubicle and monochrome tile flooring.

Externally the property has a courtyard garden and benefits from a spacious double garage which is accessed via an electric roller door on the rear service lane. Off-street parking is a rarity in properties of this style so this space is sure to be appreciated by prospective buyers.

Southend Avenue is an incredibly popular West-End street thanks to its central location. Southend Avenue is within walking distance of the shops, bars and cafes in Darlington's town centre as well as transport links such as buses and the East Coast mainline at Darlington train station. The West End is highly sought after by families in the area as it falls within the catchment area for some of the best public and private schools in the locality.

With so much to love about this home we don't anticipate it being for sale for long. Contact us today to arrange your viewing.

We love: The beautiful period features throughout such as the fireplaces and coving as well as the double garage providing that highly-sought-after off-street parking in such a central location.
