Description:

Are you looking for a pleasant life in a central area of Lagos, with all amenities, shops and services close by? To go shopping on foot, to go to the doctor, if you need to, without even taking your car, to go for a stroll through the historic center, just because it is just right there, at a few minutes walk away...

Here, at the Palm Residence, you can enjoy all these advantages and a lot more! The location is excellent for a comfortable and practical life, both for a primary residence, all year round, and for a secondary home.

Construction of excellence, with high quality finishes and first class equipments.

With a collective swimming pool on the roof terrace of the building, surrounded by a solarium area to enjoy the warm and sunny days of our Algarve in the summer while enjoying panoramic views over the entire city.

With delivery scheduled for summer 2023, you can now purchase your apartment in this beautiful development, very well located, and choose what will be your new home in Lagos.
