Description:

Investment potential of a unique small exclusive development of 6 South facing plots with exceptional sweeping countryside views and some with distant sea views , already with outline planning permission, with plot sizes approximately 1200m2, to build up to 400m2 and various viable plans in place and infrastructures now in process. This excellent private prime site is situated in an ideal situation, close by the old moorish city of Silves, with its winding streets leading to the castle and cathedral and promenade overlooking the River Arade which gives access to the Atlantic Ocean at the old fishing port at Portimao (around an hour by traditional boat at high tides) with the centre of the old Algarve city Lagos with its lovely cobbled streets and international Marina only a 20 minute drive away; Lagoa and surrounding Carvoeiro beaches easily accessible and Amendoeira golf just a few strokes away. Faro international airport 30 minutes away, making the site an ideal investment proposition .
