Description:

Located in one of the most privileged and attractive areas from Catalunya, thanks to an amazing combination of corners with high cultural and touristic attractions, the beaches of the Costa Brava and the ski slopes of the Pyrenees, the PGA Catalunya Resort, with its two golf courses, stands out as a premier destination for golf lovers and those looking for an exclusive and modern residence.

Awarded best ****European Golf Development**** offers a wide range of real estate with large plots, design villas, semi-detached houses and modern apartments.

The common denominator is that all properties are the result of searching for the perfect combination of modernity, comfort and integration with the landscape.

The PGA Catalunya Resort offers the future owner the opportunity to develop their own project - keeping the architectural concept of the resort - or leave in their hands to build the villa of your dreams.
