The kitchen is designed for entertaining and optimized for cooking pleasure, featuring a large kitchen island with a cooktop facing the windows and the dining area.

There are 3 bedrooms, all with views of the pool and the ocean. The master bedroom has a walk-in wardrobe and en-suite bathroom. The other rooms share a bathroom. Both bathrooms have windows to the indoor gardens, providing natural light while preserving privacy. Additionally, there are 3 guest-bathrooms, one on each floor and an outdoor toilet. The office sits at the back of the house, overlooking one of the indoor gardens creating a peaceful atmosphere. The double garage, laundry room and storage space are in the basement.

The outdoor space exudes luxury with an infinity pool and a landscaped garden with exquisite ocean views. The flat green rooftop seamlessly integrates in the landscape. On the rooftop is extra entertainment space with 360-degree views to enjoy the Algarve sunsets.

The villa will be constructed with an emphasis on modern insulation and is designed to be a passive house. Features include the installation of solar panels, hydraulic underfloor heating, aluminium framed double glazing with thermal breaks, and a mechanical ventilation system.

Additional luxuries such as an outdoor BBQ, ceiling-height interior doors, interior blinds, a fireplace, indoor wooden floors, an automatic pool cover, a pool heat pump, and a jacuzzi on the rooftop can be added. Live in luxury.
