Description

Dominican Republic Ocean View Lot

Nearly 2 acres of a beautiful ocean view lot is available in the hills of Cabrera.

Choose the way you prefer to live. Be independent and start living your life as a farmer raising living organisms like plants, crops, and animals.

One of the biggest benefits of living on a farm is access to fresh produce year-round. Eating vegetables that you've raised yourself is incredibly rewarding, and it's also incredibly healthy! Knowing where your food comes from can help build a sense of responsibility and connection with nature.

The Dominican Republic Ocean View Lot is located in Cabrera. It is a wonderful quaint town with lovely neighbors and not far away from the international airport of Puerto Plata and the famous surf town Cabarete.
