#### Description:

Land of 17 is sold. 500 m2 next to the future and already projected technological park of Abanto and Zierbena.

Land with good communication to the road network that together with the new technology park and its (at the moment 50 companies) makes this land can be extremely interesting for a visionary or someone with the ability to see the immense interest that this terrain can arouse waiting for a land requalification plan in said population.

Currently it can be used as agricultural and livestock use.

Good views from the field.

If you are a person with the ability to see a little further, you may have one of those opportunities that does not appear to the rest of the mortals. Do not hesitate to contact us and we will guide you. - REF: Oficina 812170
