Description:

Located in a central and quiet street of Sestao, we find this splendid apartment that as we remarked in the owner his restructuring possibilities (could also be maintained as this, the current distribution is good) are extraordinary.

To access the first floor where it is located we have an elevator.

Upon entering the house we receive a flirtatious that gives us passage to a corridor which gives us access to all spaces.

Within those spaces we find 3 rooms, highlighting the most interesting size of each cabin, being able to practically contemplate any option in case of wanting to vary the distribution, from integrating a bathroom to the rooms to a generous dressing room.

Two rooms open onto a communal patio and another outside.

The outdoor lounge, like the rest of the rooms, is very generous, a great space for our moments of leisure,

friends' meetings or just relaxing.

The house has a bathroom with bathtub, absolute feasibility of taking a second bathroom, both in suite and in common space.

Finally we come to the kitchen, equipped, several appliances even in warranty, counting with processing area and space for dining table.

As a complement a small pantry, with the practicality that it entails.

A floor with enviable spaces that with a couple of retouchings would be to draw attention and in case you do not find your ideal floor and you plan to reform to your liking, undoubtedly this has to be an option to be taken into account.

Call us, we see it and it will surprise you very pleasantly. - REF: Sestao 906170
