#### Description:

Set to be a masterpiece of contemporary architecture, this semi-detached villa is currently under construction, promising a lavish lifestyle over its expansive 300 m2 built area. It's perched on a 510 m2 plot in the distinguished Vale do Garrão, a gem nestled within the prestigious Golden Triangle near Quinta do Lago and Vale de Lobo. The location is unbeatable, with proximity to fine dining, trendy bars, serene beaches, and world-class golf courses. Faro airport is conveniently a swift 25-minute drive away.

The villa's design is a celebration of modern living, spread across three levels and featuring three sumptuous en-suite bedrooms. The ground floor is an ode to open-plan elegance, with a state-of-the-art kitchen flowing seamlessly into a bright living and dining area, graced by large windows that invite in the soothing Algarve sunlight. Ascend to the first floor to discover the bedroom sanctuaries, each providing direct access to an enchanting rooftop terrace. Here, amidst breathtaking views, sits your private Jacuzzi - a haven for relaxation under the stars.

The villa doesn't end here. A vast basement presents a blank canvas for your imagination - a games room, home cinema, or gym, perhaps?

Step outside to discover an oasis - a private infinity pool, flanked by a spacious sun terrace, ideal for memorable gatherings. The beautifully landscaped gardens add a touch of green serenity, and the car port ensures practicality meets style.
