If you don't like gardening and still want to live or enjoy your vacation in Hungary? Then think of an apartment.

In the apartment you will find 2 rooms (living room and bedroom), kitchen and bathroom. At the basement of the building you have a storage room. Nearby there is a separate garage.

Facilities such as gas, water, electricity and sewerage are available.

The heating is regulated with a gas convector. Connecting the internet is no problem.

The building is located on the outskirts of the town of Borsodnádásd (3,500 inhabitants), in a beautiful area close to a lake. Borsodnádásd is located in the north, not far from the Bükk national park. Ideal environment for hunting, walking, hiking, mountain biking, etc.

Szilvásvár, (known by the horses) is more than 10 km away and there are various restaurants and options for eating out. A little further, at 30 km, the beautiful city of Eger, where a visit to the center with the basilica and the castle is definitely worth it.

Ideal for those who do not like gardening, but want to have a (holiday) address in Hungary, this is a great opportunity for a nice price.

You buy the apartment with all the furniture. You can move in immediately
