Soumis:	17/03/2024

Description:

These are two adjacent parcels situated in Playa Flamingo, comprising a combined area of 1,177 square meters, with one parcel measuring 838 square meters. The designation "838sqm / 1177sqm" implies the possibility of developing or building on a portion of the land while leaving the remainder as open or potentially developable space.

These are two adjacent parcels situated in Playa Flamingo, comprising a combined area of 1,177 square meters, with one parcel measuring 838 square meters. The designation "838sqm / 1177sqm" implies the possibility of developing or building on a portion of the land while leaving the remainder as open or potentially developable space.

Playa Flamingo, renowned for its breathtaking coastline in Costa Rica, is a highly coveted locale for beachfront properties and tourism ventures.

A minimum of 838 square meters is available for full development, with further potential to expand according to the owner's specifications.

When sold as a package, the combined price is \$1,200,000. Alternatively, if sold individually, the 838 square meter parcel is priced at \$450,000, while the 1177 square meter parcel is priced at \$750,000.
