Description:

In Stresa, a bright, perfectly renovated two-room apartment for rent with garage and garden, close to the centre and the railway station.

It is located inside an Art Nouveau villa, is on the ground floor and has a lovely private garden of 100sqm with a gazebo covered by a fragrant jasmine.

The flat is extremely bright, in fact it has a south-west exposure, so it enjoys a lot of sunshine.

It consists of a living room with a period fireplace in Candoglia marble, with access to the garden. The kitchenette is fully furnished, equipped with induction hob, oven, dishwasher, refrigerator and freezer.

Continuing on is the bedroom also with access to the garden and walk-in wardrobe. The bathroom with marble floor and wall tiles is equipped with shower and Geberit toilet/bidet.

Double-glazed windows and doors and independent heating, armoured door.

Large garage and laundry room in the basement, connected by lift to the living floors.

It is located a few minutes from the supermarket, post office and shops and only 5 minutes walk from the station.

The location is interesting and convenient for those wishing to reach Stresa and Lake Maggiore from Switzerland and Germany by train or for those arriving from the airport.
