Description:

The 52-unit Masana Resort, pre-launched exclusively by estate agents Fine & Country enjoys a prime ocean-front setting next to Olhos DAguá just to the east of Albufeira. This in fact an existing development recently acquired by investors.

The resort will undergo a deep 9-month retrofit and re-open mid 2023. The resort offers direct access to the beach and is within easy walking distance of the charming fishing village of Olhos DAguá with its bars, restaurants and shops. Faro Airport can be reached within a 35-minute drive.

These spacious 1 to 2-bedroom apartments with areas ranging between 102,60m² and 140,30m² (including terraces), will be fitted with top of the line appliances, heating and cooling systems, balconies, as well as high speed internet offering a perfect setting for remote workers.

This gated community includes a high-end restaurant & bar, spa and fitness room, an in-house market with organic products, heated pool, and various lounging areas throughout, amongst others amenities. You will feel one with nature while in absolute comfort, when relaxing in the lounge areas, drinking a cocktail by the poolside, hiking through the private caves and beaches, admiring the sea views from your balcony, or working from home no matter where your business is located.

As a touristic development, this project qualifies for the Golden Visa with only 36 units to be sold, and will have its own in-house management company for property rentals, maintenance & repairs. Providing world-class services and amenities to both the owners and guests throughout the year.
