Description:

Altos Los Robles is a fifty-five-acre exclusive, and secure community overlooking the Pacific Ocean, Culebra Bay, and the Papagayo Peninsula. This new enclave will offer you the opportunity to custom-build your home with American engineers, ranging from 1,500 to 3,000 square feet of living space. Starting at \$295,000 and located 850 yards to the beach, these high-quality homes are considered one of the sought-after neighborhoods to be a part of.

Each property will have stunning ocean and sunset views to the West or the beautiful valley sunrise to the East. The eighty remaining properties (7,000 to 15,000 square feet each) offer you privacy, tranquility,

and peace. Part of the development has already been designated to communal lush gardens and natural areas, while each owner is encouraged to grow their own gardens, vegetable, and fruits on their property.

Close proximity to the airport, local towns, and the pristine Costa Rica beaches make this an ideal place to start your dream investment home!
