Description:

Beautiful villas, under construction, located in the city of Tavira, very well located and modern and luxury finishes, with excellent areas and plenty of natural light.

The housing Development is on two floors and a terrace:

On the ground floor are arranged the less private character spaces such as, the kitchen, sanitary installation service, office with private toilet, living room and large dining room facing the garden and swimming pool, as well as, the vertical accessto the upper floor (staircase and elevator to promote the condition of full accessibility).

The upper floor has spaces of more private characteristic, such as, three bedrooms and two sanitary facilities, one of them private with closet, equipped with balconies that allow a greater control of sun exposure well common greater comfort of use of spaces.

The roof floor terrace contains all the technical structure necessary for its proper operation in a hidden way and allows to contemplate a view of the sea and city.

With contemporary finishes, concrete and steel structure, exterior and interior thermal insulation, sound insulation between floors, hot water solar heating, built-in electric blinds and estremoze white marble capes.
