ABOUT THE AREA

Port Vila is the harborside capital and main hub of Vanuatu, on Efate island. Its small downtown is home to colourful market stalls selling produce and local handicrafts. The National Museum of Vanuatu, inside the Vanuatu Cultural Centre, displays artefacts such as slit-gong drums and outrigger canoes. The town is a base for diving and trips to Mele Cascades, a multi-tiered waterfall with rock pools in a rainforest.

Vanuatu is a South Pacific Ocean nation made up of roughly 80 islands that stretch 1,300 kilometres. The islands offer scuba diving at coral reefs, underwater caverns and wrecks such as the WWII-era troopship SS President Coolidge. Harborside Port Vila, the nation's capital and economic centre, is on the island of Efate. The city is home to the Vanuatu National Museum, which explores the nation's Melanesian culture.
