I heard an opening of this charming country estate. Lorsque vous franchissez les portes électriques sur cette magnifique parcelle, la ferme se trouve à l'avant de la parcelle et les orangeries sont à droite puis s'enroulent autour de l'arrière de la propriété. The farm has a reservoir on the terrain that is fed by the pluie water plus the irrigation canal that passes in front of the farm.

Ahead of the estate, you have a terrace covered with good tiles and where you have access to the property itself. In the entrance, you have a large open living room, at your gauche, you have a coin room with a cheminée in the coin, an ideal space to relax and enjoy a kitchen. Right, you have a table with a manger with the chaises offering enough space to receive your friends or family, finally at this level, you have a family bathroom with a shower. Il ya des escaliers à l'arrière qui donnent accès au premier étage, où vous avez un espace ouvert qui pourrait être utilisé comme salon/coin salon supérieur, il ya des portes coulissantes en verre qui vous mènent à la terrasse supérieure. The terrace has an enclosed staircase where you have a solarium with all the beautiful views on your orange fields, the countryside, as well as your incredible views on the coucher de soleil in the début of soirée. On the way back down and inside the first floor of the estate, you have a family bathroom with two decent-sized bedrooms with full closets.

In descendant and in the dehors of the farm, you have a barbecue/cuisine space, suivi de quelques chenils pour chiens, puis you have a pièce spécialement conçue que abrite le système d'arrosage, qui est entièrement automatisé et facile à utiliser, garantissant que les orangeries fournissent une excellente récolte. Currently, the owners are in agreement with a local fruit company to obtain the harvest and provide an income to the owners.

This property is just a few minutes away from restaurants, magazines and local bars, and the beach is just 15 minutes away from your car. This estate offers you a calm environment, in the countryside entourée by orange trees, if it is the type of life that you need, contact the maintenant to organize a visit - Merci de votre visite !
