The house extends over three floors: a basement with storage rooms, a ground floor consisting of two smaller apartments, and the first floor where the penthouse with a panoramic view is located. Apartment 1 is located on the ground floor, has a living area of 49.11 m², and consists of an entrance hall, bedroom, bathroom and living area with kitchen, dining room and living room. From the living room there is access to an outdoor terrace with a beautiful view of the greenery. The apartment has 1 parking space in the yard, and in the basement there is a large storage room of 14.22 m². The planned completion of the works is in spring 2026.
