Description:

Business opportunity : Spacious 10 bedroom property currently run as B&B and part rented separately with a total living area of about 370 m2. This property offers many surprises, including a 90 m2 cellar which was formerly used as a nightclub. The room is soundproof and has been decorated in the style of the 70s including disco lights and disco ball. All this on a large enclosed plot of over one acre including an above ground swimming pool, a chicken coup, a well and an outbuilding that has potential for an independent gite. This property, although isolated, is within walking distance of the centre of Verteuil and is 100 m from the river Charente (but in a flood zone). The current owners rent out part of the ground floor (1 year lease) for 580 euros per month and also run a bed and breakfast. This is definitely a property full of potential not to be missed!
