Description:

Beautifully built 8 bedroom villa in Mesa Chorio, Paphos, only 4.8km from the city center. This spectacular property boasts unobstructed sea, city and mountain views.

The building features reinforced concrete frame, partial brick wall and flat roof. Part of the exterior masonry is lined with stone and wood. The house is built on levels, with the pool level on the ground floor and the barbeque on the level below the pool. The house has a large garden with fruit trees, roses.

The house has a total area of 693 sq.m. approximately and includes basement, ground floor and 1st floor. It also has an infinity pool with an outdoor shower, a barbeque and studios. It has a licensed drilling system and a request (and a response is expected) for the installation of photovoltaic arcs that will meet the needs of the home for electricity (investment of approximately 15,000 euros, with a depreciation of 4 years). It has 8 bedrooms, four of which are ensuite. The building has a lift and a fireplace. It has an alarm and a system for connecting computers to a central server. It has underfloor heating everywhere except the basement where there is wall heating and has VRV air conditioning system ventilation system. All areas of the house have sea views.
