Description:	

We offer you an exceptional shopping opportunity in one of the areas with the greatest projection: the Trápaga Valley. It is a package of ten plots, ideal for developers, investors or individuals who wish to develop their project in a strategic environment.

The most remarkable thing about this offer is its price below the appraisal value, which represents a highly advantageous investment with great potential for profitability.

An opportunity that is difficult to match for those looking for urban or developable land in a location with excellent communications and natural surroundings.

For more details or personalized attention, do not hesitate to contact us. Make your investment a reality at the best price and in the best place!
