Description:

The apartment is a 5-10 minute to the old town of Lagos, where there are many shops, bars and restaurants.

There are several glorious sandy beaches easily accessible on foot, the closest being only a 10 minute walk away. The 4.5km of fine sand on Meia Praia is just a 20-minute walk away.

A short drive from Lagos brings you to many more beautiful beaches.

Other attractions such as the Algarve's waterslide parks, Zoo Marine, historic fort in Silves and the most south westerly point in Europe, Cap St Vincent are also easily accessible by car, rail or bus.

On the 2nd floor of a block with 3 floors 6 units, with a lift and a terrace with a privileged 180° view over the city, Lagos Bay and the Monchique mountains, a charming space for moments of leisure and socialising.

Distribution: entrance hall, large living dining room opening onto the balcony which increases the living area and floods it with light from the South-West and which also accesses the fully equipped kitchen with pantry. In the private area, 1 full bathroom, 2 spacious bedrooms (one en suite), both with 2 integrated wardrobes and a shared balcony with views over the old town and Lagos Bay.

Gas central heating, with radiators in all rooms.

With a parking space in the basement.

In optimal conditions, it is definitely an excellent investment. - REF: 1120 A
