Description:

In a quiet part of the village Kali on the island of Ugljan, a building plot of 1224 m² is for sale. It is located at a distance of about 800 meters from the sea and 1 km from the center of Kali. Given that it is located on a slight elevation, the land offers a beautiful view of the sea, which would be even more beautiful and comprehensive from the floor of the future building. The land consists of two cadastral parcels - one rectangular and the other L-shaped, which are interconnected and sold as a set. Access to the land is provided via a local road. This land is ideal for building a family house with a spacious, beautifully landscaped garden. In the surroundings of this property there are centuries-old olive groves and other Mediterranean vegetation, which guarantees the future owner peace and a relaxing atmosphere at any time of the year.
