Price: on request

Enchanting period building with chapel. The property is located in Brisighella, 12 km from Faenza (Ravenna).

The property consists of:

A main building (the "Palazzo") which covers an area of approx. 2910 sqm is divided into 39 rooms on three floors plus a lofted apartment with loggia and a courtyard; it includes also a limonaia (a lemon house) of approx. 200 sqm plus annexes.

Two more buildings with a "farmer's house" of 598 sq. m. with its courtyard and another building of 335 sq. m. with courtyard and a green area of approx. 1600 sq. m.; it also includes a building plot of about 5000 sq. m. and the building permits have been already allocated.

The structure of the main building presents many frescoed rooms which could be easily divided into many small living units.

There is a small church still consecrated, there are kitchens, cellars, a lofted apartment with loggia and there are enough spaces for potential lifts.

Brisighella is one of the Borghi d'Italia (most popular and authentic italian villages), located on a hilly position at 12 km from Faenza, internationally known for its ceramics, on the road connecting Faenza to Florence. It is located in a mainly agricultural area, with cultivations of fruit trees, olive trees and vineyards.

Brighisella is situated at 40 km from Ravenna, 80 km from Florence and the Riviera Romagnola. Bologna and Rimini airports are also very close to the property.
