Description:

TULUM THE DESTINATION

The beaches biodiversity and atmosphere of this destination in the Mexican Caribbean have proven to be as relaxing as they are healing.

Pristine beaches cenotes lagoons pulsating wildlife and

SOUL TULUM

Discover a surreal world.

SURREAL LIVING

Soul Tulum is inspired by the magic of great artists such as Dali Leonora Carrington Sir Edward James and Picasso we have designed each environment evoking the soul and depth of their works so in every corner of the complex you will find that mystical sense of life and surreal so characteristic of them.

Within Soul you will have the opportunity to expand your reality and get out of the everyday thanks to the more than 50 spaces that we design especially for you including the art gallery to stimulate your thoughts the elevated steps for a new perspective or if you prefer a day at the spa to let go of tension.

With so many options at your fingertips the only thing you should ask yourself is

What part of yourself are you going to express today

ARCHITECTURE

Welcome to surrealism

We are inspired by the surrealist movement and we reinterpret it in architecture as well.

Be part of a world outside this dimension and let yourself be carried away by the spectacular structures and atmosphere at every step. Coming home has never been so magical.
