LOCATION AND DESCRIPTION

Spacious and elegant, this 4.5-room apartment features high-quality finishes and excellent lighting, as well as magnificent views of the lake and the Alps.

The residence occupies an exclusive and privileged position, close to the city center, shops, railway station, schools and the lake.

The first of the grand hotels in Montreux was built between 1873 and 1874 by the Vevey architects Ernest Burna and Charles Nikati in the best traditions of the luxurious palaces of the Swiss hotel industry. It is inspired by the style of French Renaissance castles with high roofs adorned with brick chimneys. In 2009 the hotel was reconstructed into a luxury real estate complex.

Residence co-owners enjoy facilities such as a spa with indoor pool, sauna, Turkish bath, solarium, outdoor jacuzzi and gym.

The hall, which can accommodate 40 people, is available for your private events.
