Description:

Beautiful historic apartment with high ceilings, elaborate stucco elements, original double doors and parquet floors. New bathroom with high-quality tiles and fittings, shower at ground level. The thresholds are at ground level, so the apartment is barrier-free. New, high-quality kitchen with dishwasher, refrigerator and ceramic hob. The apartment is on the first floor and can be easily reached via the staircase or from the courtyard with the elevator. From the bay window, the viewer has a breathtaking view of the Zeitz Altmarkt. The apartment is located in the former living quarters of the influential art historian, publisher and acting mayor Arthur Jubelt, whose sense of art, aesthetics and beauty of bygone eras can still be seen in the interior design.
