The Boarding Cube offers you a pleasant temporary home for upscale requirements. Fine real wood parquet and solid woods combine with modern design and timelessly stylish furniture to create a feel-good oasis in the heart of Oldenburg. The four meter high glass front provides a bright and pleasant room climate. The loft construction creates a high, light-flooded living space and a comfortable living feeling on two levels. The Boarding Cube has a fully equipped kitchen, a spacious living and dining area as well as a bathroom and a guest toilet. The box-spring bed on the gallery ensures good, restful sleep. Washing machine and household appliances for daily use are available. Underfloor heating and air conditioning provide the right temperature all year round. In summer, the terrace in the small garden invites you to relax after a long day. Via a SONOS soundbar you provide music to your taste. You can park your car free of charge in your own parking space with an e-charging station. Your temporary home is located about 1000 m from Oldenburg's city center in the beautiful Alt-Osternburg. Bus lines can be reached in the immediate vicinity. Furthermore, there are restaurants, bakeries, doctors, cafes, pharmacy, etc. within walking distance.
