Description:

The luxuriously furnished apartment is in a prime location between park Wilhelmshöhe and 0,9 miles from the ICE train station "Kassel Wilhelmshöhe". Frankfurt a.M. can be reached in under 1.5 hours, so it might even be relevant for commuters. Public transport is available in large numbers right in front of the door and it only takes 10 minutes to get to the city center or to numerous companies in Kassel. The motorway access can be reached in less than 5 minutes. The mountain park with the Hercules monument (world cultural heritage) is within walking distance. For wellness, the large Kurhessentherme with 8 saunas is in the immediate vicinity. The bathroom is bright and friendly. Fluffy towels from the premium brand Vossen are waiting for you here. In the fully equipped kitchen you have space for your first coffee at the small table. Or do you enjoy the first rays of sunshine in the comfortable chairs on the small balcony? The apartment impresses with its fascinating view over the whole of Kassel and the Herkules monument. You will experience unforgettable natural spectacles in the sky and enjoy the view of the forest immediately after getting up.
