Description:

The property is in a perfect setting, near a village, near the marina, next to the golf, near a beach. It is difficult to find a property of this size in such a good location. It has an easy access from the road, electricity, lots of water as there are several large water veins underneath the land. The land has one part of it that it's quite flat and it's ideal for cultivation, having horses,... and another part which is more hilly with a nice forrest. The property has nice views to the golf and to the Galatzó mountain.

This could be a perfect spot for building a hotel, a private home with stables for someone who wants to have privacy and the same time, being in a comfortable location where everything's reachable within 5-10 minutes.

Mallorca Site, your real estate agency in Mallorca, recommends this property for the location, for the size of it, the views, the privacy.
