During the last few decades, Santa Ponsa has transformed into one of the most important towns in the Southwest of Mallorca. The town is part of the municipality of Calviá, which is one of the biggest municipalities on the island in the number of inhabitants. The locality is situated right in the center of Mallorca's most sought-after and coveted area, halfway between the famous Portals Nous and the exclusive Port d'Andratx. Here you can enjoy your holiday home or your permanent residence in a cosmopolitan atmosphere with an excellent infrastructure. One of the area's appeals is its closeness to Palma and the island's international airport, as they are both located 15 to 20 minutes away respectively. In Santa Ponsa, you will find a wide selection of commercial, gastronomical, and other leisure and necessity services.
