**** Key Ready ****

Located in one of the best areas of Torremolinos with unbeatable access to the main road networks of the province. A quiet and well-established environment next to the protected natural area of Pinar del Moro and with all the services you need without having to use the car: public schools and institutes, the sports facilities of the Municipal Sports Center, the Municipal Auditorium, the recreational area of Los Manantiales and several major supermarket chains are all close by.

In addition, you have one of the best beaches of the Costa del Sol just 5 minutes away by car; Malaga Airport, 10 minutes away and Malaga city, with its dynamic cultural, gastronomic and leisure offerings just a quarter of an hour away. If you don't feel like driving, you have at your disposal several bus lines and the suburban train station just 15 minutes away on foot.

The development has been designed paying special attention to its privileged environment, and that is why its large windows open to the sun and the Mediterranean breeze and its terraces offer an unbeatable panoramic view of the coast of Torremolinos.

The communal areas are surrounded by carefully landscaped gardens, they offer two large outdoor swimming pools and a fully equipped gymnasium. An exclusive community whose location in the residential complex has been designed to facilitate access and simplify the interior walkways.

If you were looking for a piece of Mediterranean sky the penthouses have a spectacular panoramic terrace, so you can see the sun from the moment it rises over the horizon until it disappears behind the mountains. And, at night, let yourself be swayed by the breeze and gaze at the reflection of the moon on the sea, thanks to spectacular views over the Bay of Malaga.
