Description:

With room for a six-seater dining table and four-seater corner sofa, this versatile space includes a stylish kitchen island and large bi-folding doors that extend the living area, connecting it to the paved patio and turfed rear garden.

The bi-folding doors flood the space with natural light, making it perfect for entertaining and everyday living.

The generous lounge features a large window, creating an airy atmosphere, with enough space for two three-seater sofas and a large chair. The ground floor of this home also features an integral garage which could be the perfect space for a home gym or used for additional storage.

Upstairs, a striking feature staircase and window enhance the space, allowing sunlight to cascade through the area. Three of the bedrooms are double, including the main bedroom which has plenty of room for built-in wardrobes and a convenient en-suite complete with a shower enclosure, sleek white sanitaryware and designer Porcelanosa tiles. An additional spacious single bedroom is the perfect size for a home office or play area. The main bathroom features a stylish double ended bath and a large separate shower enclosure, so there's plenty of space on busy mornings.

The Sanderson has enviable external features, with an entrance canopy and other eye-catching features to create kerb appeal. The block paved driveway adds even more character to this home.
