Villa Florentina Is a majestic four story Villa rising out of the beautiful Saint Lucian landscape. This beautiful property is perched above the Castries Harbour and Caribbean Sea on a scenic cove on the Vigie Peninsular 3 minutes from the commercial centre of Castries. The Villa is the essence of a soulful retreat, luxury estate, and peaceful sanctuary situated in a world class location. Prestigiously located next to the Prime Minister's official residence and the Venezuelan Ambassador's official residence. There is a view to be had from every room. Spectacular panoramic views of the Vigie beach, George FL Charles airport, City of Castries and the Castries Harbour are evident from every part of the Villa through large jalousie doors and windows that will seduce even the most discerning buyers. This magnificent four (4) storey building boasts an opulent space estimated to be over 16,500 square feet, in which no detail was overlooked from the extensive wood work, to the porcelain floors and natural stone such as granite, travertine and Jerusalem stone. The Main Villa The main villa is estimated to be about 9,500 sq ft with an open design floor plan flowing from the foyer to living areas and large kitchen with butler's pantry which all overlook the spectacular views. Outfitted with 5 large bedrooms, 3 of which are ensuite and an independent powder room. The top floor is of Brazilian hardwood (jatoba) with a small bridge which leads to the intimate family TV room and master bedroom suite on one side and 3 other bedrooms and baths on the other. Master bedroom comprises a large walk in closet office/storage room and travertine master bath with jetted tub. The open style concept is appropriate for modern living with large voids which open from the top floor to the main floor. The tropical flavour of the property is evident in the high-pitched ceiling with sky lights. This property is luxuriously detailed

and finished with the finest materials, fittings and fixtures as would be expected in a high-end property. This fantastic abode has beautifully detailed terraces which traverse the length of the villa; this design is mirrored by the terrace on the top floor off the bedrooms and family room: these terraces overlook the Castries Harbour and George FL Charles airport. The 2-storey garage serves the main Villa and the Villa (Second Villa) immediately below it. The upper part of the garage accommodates 4 vehicles, whilst the lower floor accommodates 2 vehicles and a water storage area.
