Description:

Excellent location in the center of Quarteira, building with 28 high quality apartments divided into two blocks, each consisting of apartments with one, two and three bedrooms.

Close to all amenities (shops, pharmacies, restaurants, bars,...) and close to the beach and the famous fish and fruit market. 20 minutes from Faro airport.

Built with high quality finishes, all apartments have double-glazed windows, aluminum shutters, underfloor heating in the bathrooms, reversible air conditioning and fully equipped kitchens. In addition, the building also has solar panels on the roof for hot water heating.

Each apartment also has a parking space in the underground garage accessible from the inside via a lift and from the outside via electric gates.

Built areas from 149 sq.m..

Its location five minutes from the beach, the city center, as well as other amenities such as bars, cafes, restaurants, bus station and sports activities, makes this development the ideal choice for those looking to live in the heart of Quarteira.

Expected date for completion of construction: January 2026.
