Description:

Tucked along the golden sands of Praia do Forte Novo in Quarteira, this newly completed development offers a rare opportunity to own a refined 1-bedroom apartment on one of the Algarves last remaining beachfront plots. With most of the units in the complex already sold, only a select few of these elegant one-bed homes remain available making this not just a place to live, but a true investment in lifestyle and location.

Each apartment has been carefully designed by the acclaimed architectural firm Saraiva+Associados, combining contemporary lines with a serene, coastal ambiance. Inside, you'll find open and airy living spaces, finished to the highest standards, where large windows flood the interiors with natural light and extend seamlessly onto generous balconies. From here, the views are nothing short of breathtaking and uninterrupted panoramas of the Atlantic Ocean that will make every sunrise and sunset feel like a private show.

The interiors follow a minimalist design philosophy that favours calm, natural materials and clean finishes. Kitchens come fully equipped and ready for everyday use or holiday entertaining, while spacious

bedrooms offer a tranquil retreat after a day at the beach. With sizes starting from 71,91 m² and prices beginning at 395,000, these one-bedroom units deliver a rare blend of intimacy, comfort, and understated luxury.

The development itself is divided into two unique zones, Sea and Sand, both of which echo the soothing elements of the surrounding landscape. From the soft landscaping of the gardens to the carefully planned outdoor spaces designed for well-being, every detail contributes to a sense of serenity and exclusivity. Whether you're sipping morning coffee on your balcony, taking an afternoon stroll along the shore, or hosting sunset drinks with the sea as your backdrop, life here flows effortlessly.

Located just minutes from the lively centres of Vilamoura and Vale do Lobo, and only 25 minutes from Faro Airport, this is a location that balances peace and privacy with convenience and connection.

With limited 1-bedroom units still available, this is a rare opportunity to secure a place on the Algarve's most desirable stretch of coast. Whether you're looking for a permanent home, a lock-up-and-leave holiday retreat, or a smart investment with strong rental appeal, this beachfront gem delivers on every level.
