MONPAZIER: Stone house in the heart of the bastide with a 700 m² garden with trees and flowers, enclosed by walls. The house, approximately 280 m², is spread over two floors. On the ground floor, there is an entrance hall, a corridor leading to a first living room with a bar, a second living room of 23 m² with a fireplace, and an open-plan, fully equipped kitchen with a large open fireplace, an old bread oven and access to the dining room. A beautiful wooden staircase leads upstairs to a large bedroom on the street side with two windows, a fireplace and a bathroom, three bedrooms on the garden side and an old bathroom. The attic is convertible. A 23m² garage is attached on the street side and has a laundry room. This characterful house is ideal as a main residence, second home or hospitality project. Its privileged location in the heart of Monpazier, one of the most beautiful villages in France, allows you to enjoy all the shops and services on foot.
