Koslovets, Veliko Tarnovo Province – central location with open views

In the heart of the peaceful village of Koslovets, this well-preserved country home invites you to experience life as it once was – and offers a unique opportunity to modernize a piece of Bulgaria's rural heritage.

The property has not been actively used for over 10 years, yet it remains fully accessible, dry, and structurally sound. When stepping inside, it feels as if time has stood still – a glimpse into everyday life during the Bulgarian SSR, waiting for someone with vision to breathe new life into it.
