Description:

If you are looking for a family home, then this 4 bedroom villa may be the perfect choice for you.

4 bedroom villa in which on the ground floor we have a spacious living and dining room with fireplace, fully equipped kitchen, pantry and also a backyard with direct access to the outside. Due to its architecture, we find an intermediate level between the ground floor and the 1st floor, consisting of two bedrooms and a bathroom, the other two bedrooms. A second bathroom and a terrace make up the 1st floor. In the backyard, an enclosed space has been built, equipped with BBQ, where you can enjoy a family grill even on less sunny days or simply use it as a storage space. Regarding parking, this can be done at the door of the property.

Property without interventions to be made, ideal for large families looking for space and comfort. Located 5 minutes from the city of Lagos, and the main amenities such as school, nursery, supermarket, cafes and restaurants, can be done on foot and in the surroundings.

The competitive price, typology and state of conservation of this property makes it undoubtedly an unmissable opportunity.
