Description:

Set in an elevated position in the East Algarve, just a short drive from Tavira and near the charming village of Santo Estêvão, this remarkable 4 bedroom villa captures the essence of a fairy-tale hideaway. Resting on a fully fenced plot of just over 6,000 m², surrounded by flourishing greenery, it is a property where timeless Portuguese character meets modern sophistication. A sense of arrival begins the moment the electric gates glide open. A winding cobblestone drive, lined with soft lighting and shaded by almond trees and an ancient olive tree, leads to a whitewashed double carport that perfectly complements the villa's elegance. At the heart of the estate lies a truly magical garden lush, mature, and designed as an ever-changing canvas of colour and texture. Hidden pathways, a vine-draped terrace, and secluded corners invite discovery, while the large 60 m² swimming pool glistens in the Algarve light. Pergola-covered sun loungers and shaded terraces create an atmosphere of pure relaxation, whether for quiet afternoons or lively evenings under the stars. To the East, a traditional Portuguese summer kitchen, finished with iconic blue-and-white azulejos, provides the perfect setting for alfresco dining. Inside, space and light flow seamlessly. A welcoming hallway opens into a South-facing lounge, bathed in sunshine and warmed by a log burner, which extends to a generous dining area and modern kitchen. Patio doors open directly onto a broad terrace with sweeping sea views a stage for unforgettable gatherings and golden sunsets. Accommodation is both versatile and comfortable: a Master suite with a contemporary en-suite

bathroom, two additional double bedrooms sharing a stylish family bathroom, a guest WC, a spacious utility room, and an adjoining office that easily transforms into a 4th bedroom. This villa is fully prepared for year-round living, equipped with double glazing, reversible air-conditioning, and underfloor heating in the bathrooms. Energy efficiency is ensured by a photovoltaic solar panel system and solar-heated hot water, blending modern comfort with sustainable living. Every room opens to the outside, linking the interiors with the gardens and creating a constant sense of space, air, and nature. Wandering the cobbled paths shaded by vines and scented with blossoms, it becomes clear that this is more than a home; it is a lifestyle of beauty, comfort, and tranquillity. A rare opportunity to acquire a villa that unites timeless Portuguese charm with contemporary luxury in one of the Algarves most magical settings.

TAVIRA

Set on either side of the meandering Rio Gilão and affectionately known as The Venice of The Algarve, Tavira is arguably the Algarve's most charming town. The old Roman bridge, the ruins of a hilltop castle and an astonishing 37 churches with the oldest dating back to the Middle Ages, are among many of Tavira's historic attractions. An enticing collection of restaurants, cafes, bars and shops makes it the perfect sunny Portuguese destination or as an excellent base for exploring the Algarves eastern reaches. Tavira is ideal for wandering and exploring the ancient city with its many cobblestone streets, hidden green gardens and tree lined squares. There's a small, active fishing port and a modern market with Tavira also being the launching point for the stunning, unspoilt beaches of Ilha de Tavira.

BEACHES

There are several great beaches near Tavira. The coast in this area is great for long seaside walks and for bathing, as its waters are warmer than anywhere else in the Algarve.

Ilha de Cabanas: This is an island in front of the town Cabanas de Tavira, with a spectacular long and narrow beach. The sand is white and the island feels like paradise. Great for long beach walks.

Ilha de Tavira (also known as Tavira Island): Is famous for being one of the best beaches near Tavira. The beach is quite sandy and the sand is almost white. Tavira Island stretches for approximately 11 kilometres and is just 3 kilometres south from the town of Tavira. There are restaurants and the beach also holds a Blue Flag, showing the quality of the beach. It is a great destination for a day trip.

Praia do Barril: Accessible on foot or by train, this beach is known for its bizarre anchor cemetery with over 100 anchors in front of the beach. The anchors were from the tuna fishing community, which disappeared when the bluefin tuna moved to other waters. The beach itself is also very big and also incredibly beautiful.

RESTAURANTS

There are many top rated restaurants in Tavira. If you like food, you won't be disappointed here. From local cuisine to fine dining, you can find it all in the area.
