Description:

This is a great little property on a lovely street where the neighbours have added and look after plants on the public walls adding a lot of charm . In practical terms there is also a parking area right on the doorstep '

entering there is a living room which leads through to a dining area and onwards to a well fitted kitchen which has room for a breakfast table .

out the back door of the kitchen there is , for house of this size a large well tiled patio . At the end of the patio is a two storey building , the ground floor has been used as a laundry area , the top floor is in poor condition as the roof has collapsed , but here in lies and opportunity to removed the roof , floor and walls and add a higher new floor level that would be a terrace which would give you some nice views over the rock out crop behind and onwards to sunset mountains . Beyond this building there is another section of stepped patio which could be made a charming shady spot with a little thought and investment .

back inside and up the one flight of stairs is the first floor which has a hallway, one double bedroom to the rear and a single bedroom which has direct access to the bathroom.

the house is habitable as is but some thought and investment could make it super cute and comfortable.
