Description:

Land with 536 m2 offers the opportunity for those looking to invest or build their ideal residence. Located just 5 minutes from the center of the charming city of Chaves, this space has a privileged location, combining convenience, accessibility and potential for appreciation. The land already has a project approved by the competent authorities, which significantly speeds up the construction process.

The project foresees the construction of a collective housing building consisting of a three-storey block, there is an excellent opportunity for investors or builders to develop a development with four 1 bedroom apartments plus two 3 bedroom apartments, perfect for larger families or for long-term rental, ensuring an interesting rent and an excellent rate of return, offering a modern and functional structure for different types of residents or investors. This project is an excellent opportunity for those who want to develop a high-quality residential solution, making the most of the potential of the space.

In addition to the proposal for collective housing, the land has versatility for different uses. It is perfectly possible to build a single single-family house, ideal for those who want to live in the region with comfort and privacy, taking advantage of the ample space for the garden, garage or other leisure areas.
