Description:

Land with Approved Project for Luxury Single-Family Villa in São Mamede da Infesta

We present an exclusive plot of land with an approved project for the construction of a high-end single-family house, distributed over four floors. With modern architecture and large spaces, this property stands out for providing maximum comfort and sophistication in every detail.

Project Features:

Total Construction Area: Designed to maximize useful space and ensure family comfort.

Four Floors: With generous and functional areas, including an open-concept living and dining room, spacious bedrooms and a master suite with walk-in closet.

Elevator: Convenience and accessibility on all floors, convenience ease of mobility.

Two-Car Garage: Ample space to park and organize vehicles safely.

Private Pool: Ideal for relaxing and enjoying moments with family and friends in an inviting outdoor area.

This project is the ideal choice for those looking for a life with tranquility, privacy and style, in a

privileged location and with excellent access.

Schedule a viewing and visualize the potential of this unique property.
