Description:

Calling all investors! This large property within walking distance of Miramont's shops, restaurants, amenities and popular weekly market is crying out for renovation. In the right hands, it could once again go back to being an impressive single dwelling or, as it has three potential entrances, it could also be converted (with the relevant planning permission), into two or even three apartments. Packed full of original features, it just needs someone with some imagination to bring it back to its former glory.

We at Cle France specialise in Property for sale in France through our network of Agents and French Registered High Street Estate Agents. We have sold thousands of houses for sale in France over the years and have helped many find and buy their dream home in France.

We can also help you with everything to do with buying a house in France including getting a mortgage, organising currency exchange, renovation advice, property surveys, planning permission, French translation, opening a bank account and everything to do with French property sales.

All our prices are quoted as FAI (agency fees included) unless otherwise stated and 'notaire' fees are around 7% (on average) but feel free to ask us for an exact amount on any particular French property for sale you are interested in.
