Situated directly on the sand in the sought-after Las Golondrinas community within Hacienda Pinilla, Casa Neptuno is a true oceanfront sanctuary offering the perfect blend of luxury, space, and resort-style living. Designed with both relaxation and entertainment in mind, this expansive two-story home showcases warm wood finishes, generous open-plan interiors, and seamless indoor-outdoor integration. Every element of the home invites coastal breezes and sunlight, from the airy living spaces to the wide ocean-view balconies.

A long, private swimming pool is the heart of the outdoor area, drawing the eye toward breathtaking views of the Pacific Ocean. Surrounded by lush landscaping, the outdoor palapa and multiple lounging

zones create an ideal setting for social gatherings, sunset dinners, or tranquil mornings by the sea. Thoughtfully designed to enhance privacy, the home's grounds feel like a secluded haven while still offering easy, direct access to the beach.

The second floor serves as the main living space, featuring vaulted ceilings, a full chef's kitchen, spacious living and dining areas, and ocean-facing balconies—making it well-suited for guests, entertaining, or multigenerational living. Light-filled bedrooms and elegant bathrooms ensure comfort throughout, while the home's layout offers flexibility for both full-time residence and vacation rental use.

A rare three-car garage provides ample space for vehicles, surfboards, bikes, or additional storage—further enhancing the property's practicality and appeal. Whether you're lounging poolside, walking straight onto the sand, or entertaining under the stars, Casa Neptuno offers a lifestyle defined by elegance, serenity, and natural beauty.
