Description:

This beautifully positioned, bright lateral apartment boasts stunning garden views on the third floor of a highly desirable portered building.

This unique designed layout includes a spacious entrance hall leading to three bedrooms—two featuring en-suite bathrooms—and a third guest bathroom. The expansive dual-aspect reception room and separate kitchen provide ample living space.

This design is like what you might see in Morocco or somewhere in the East in a traditional design. You may change it and we can assist with designs too.

Residents enjoy 24-hour portorage, lift access and a discreet second entrance as well as access to the charming Cadogan Place gardens. Royal Court House is perfectly located between Knightsbridge and Chelsea, just moments from Sloane Square and the fashionable enclave of Pavilion Road, which offers a variety of shops and restaurants.

If you're looking to buy do contact us and also if you have a place to sell.

We cover uk international too and are about solutions to help save you money as one area.
