Description:

Discover Peaceful Living in Bali – Stunning 2,990 sqm Freehold Land in Balian with Lush Jungle and River Views

Price at IDR 1.3 Billion

Discover an exceptional opportunity to own a slice of paradise with this freehold land for sale in Balian, a peaceful coastal village in Tabanan, Bali. Priced at IDR 1.3 Billion, this expansive 2,990 sqm plot offers a rare combination of natural beauty, privacy, and investment potential — making it a standout choice within the Bali real estate market. Nestled amid lush tropical jungle and bordered by a gentle river, this land is an ideal setting for those dreaming of building a private retreat, an eco-resort, or a collection of luxury villas. The location captures the essence of Bali luxury real estate, offering tranquil surroundings while remaining close to Balian Beach, one of Bali's best-kept surf destinations.

Whether you envision a spiritual sanctuary, a wellness escape, or simply your dream home in paradise, this plot offers endless possibilities for real estate investment in Bali. The Balian area has become increasingly popular among expatriates and investors seeking affordable Bali properties for sale outside the busy hubs of Kedungu. With its growing community, pristine nature, and relaxed lifestyle, Balian represents one of the most promising regions in the Bali property market for long-term growth and sustainable living. For those interested in buying property in Bali, this freehold opportunity provides full ownership rights—an attractive option for both locals and foreigners investing in real estate in Bali through structured ownership. This secluded yet accessible location offers both privacy and proximity to
